

THE PUYALLUP ROOFING EXPERIENCE

Real-time Communication

Through our processes and high standards, your project will flow seamlessly throughout our departments, and not one detail will be missed. We'll keep you fully in the know and be on the same page with you from start to finish.

Our Priority is Quality

We take great care in protecting your home and landscaping with mesh tarps. Our standard for every installation is to leave your home and property cleaner than we found it.

Your satisfaction

For us, going the extra mile is just what we do to ensure your satisfaction. Your happiness is very important to us and we'll treat your home like it's our own.

OUR HISTORY

Puyallup Roofing is a local roofing contractor founded on the simple belief of delivering a superior roofing experience that protects our customers' most valuable assets and gives them peace of mind.

Our philosophy of business is based on old fashion values that are the backbone of America: honesty, integrity, and pride. We value our relationships with our customers! That's why we'll always strive to earn your respect and trust on every single project, every single day.

CORE VALUES

Our core values are embedded in everything we do. They serve as a guide and foundation of our every day words and actions.

WE PROTECT TODAY TO ENSURE TOMORROW

Building a relationship with our customers is just as important as installing roofs. We strive to make both as durable and lasting as we can.

OUR MAINTENANCE PLAN

- Blow off major debris from the roof & gutters.
- Clean skylights & sun tunnels
- Touch-up paint on roof fixtures.
- Thoroughly inspect the roof system with an inspection sheet.
- Apply moss retardant.
- meticulously cleanup of surrounding areas & haul away debris.
- A final checklist is left behind detailing out technician's work.

OUR SERVICES

From installing a new roofing system to just having your gutters cleaned, we can build a customized solution just for you!

Our technicians have the skills and training to take on any problem on your roof.

ROOF REPLACEMENTS & NEW ROOFS

Gain energy efficiency and renew the look of your roof by selecting a modern alternative to your old roofing material.

ROOF REPAIRS & MAINTENANCE

Roofs can be damaged over a period of time, extend the life of your roof by maintaining it before heavy rain or win storms hit.

ROOF & GUTTER CLEANING

Give your roof a new look with regular cleaning, and treatment. This not only improves your aesthetic appeal but reduces the repairs that you'll need to worry about.

PUYALLUP ROOFING COMPANY'S MAINTENANCE PLAN

An investment in your new roof can pay off far past the normal lifespan of the roof!
